

Rhodes Marinas S.A.

Official Price List 2025

A. Mooring fees

Mooring fees are based on total square meters of the yachts.

We apply a **dynamic pricelist for 2025**, that examines different factors such as type of yacht, general condition of the yacht, duration of the mooring, different period of the request, total available berths at the moment of the request, different piers available and many other factors.

An indication for daily fees for yachts between 11.5 to 40.5 m LOA is varying from 45 euros to 420 euros per night including VAT for summer season.

Special Terms regarding mooring fees

- Alongside berthing might be available for specific types of yachts. These berths are charged at differently that the stern to method.
- Marina berthing charges are on a calendar basis so long term contracts will be dealt accordingly.
- Different prices apply for winter period between 1st of November and 31st of March, Regular season for April, May and October, High season June, July, August and September. Super high season rates might apply on specific dates, depending on special circumstances.
- The daily berth rates are valid from the time of arrival until **10:00 of the next day**.
- **All mooring fees are paid in advance and cannot be refunded.** Credit due to early departure can remain into the clients' account until the end of each fiscal year.
